Subject: Input from state for CES call
Attachments: WB comments--EPA Medota CO2 project_10192020 RB SB.docx; EPA-ClassVI_Application_Review_Oct2020_Wenli and Mike.pptx

Hi Shari, we just received the attached files (one from State Bd and one from CalGEM) in preparation for our call tomorrow on the CES project. These are the issues they want to discuss. We'll cover what we can in the 1 hour timeframe and if there are issues that we need to defer for later, that is fine also. Thanks, David
